EAGLES ORGANIZATION GOLF CLASSIC

The EAGLES Organization is a nonprofit composed of veteran and civilian leaders committed to empowering underserved youth through mentoring, life coaching, and scholarships. Only a small portion of the proceeds raised are used for operating costs, the majority directly supports mentoring events and scholarships. To date, the EAGLES Organization has sponsored over 100 mentoring events and awarded \$13,000 in scholarships to deserving students. Support our mission by participating as a sponsor or player in the Annual Golf Classic and help create brighter futures for the next generation.
